## **GODPARENT - REGISTRATION FILE (FILE IN CAPS LOCK)**

## SPONSORSHIP IS COOL!

Sponsoring an abandoned animal is directly contributing to its protection and well-being. Through sponsorship, you are contributing to a monthly amount that will cover part of the expenses that the Association has with the animal in question. The minimum donation is 5.00 euros per month. Candidates for sponsorship are the animals that are housed in the Aroeira kennel. The choice of animal is at the discretion of the godparent, but requires prior consultation with those responsible when the godparent intends to take the animal out for a walk.

Sponsorship is a commitment that the person who sponsors has with the animal. It is a way to help improve the conditions of that animal within the shelter. The animals most in need and least likely to be adopted are those that most need to be sponsored. The godparent will be immediately informed when their ward is adopted.
